

COPPER MARE RANCH

About the Experience

Grab your cowboy hats and head to the Copper Mare Ranch for an exciting trip to the rodeo! Founder and CEO, Grant Fatzinger has built this dream on land that has been in the family for 7 generations. Grant has an extensive rodeo background over the last 15 years ranging from bull riding, to bronc riding, team roping, tie-down roping and two man ranch sorting. He looks forward to teaching the next generation basic horsemanship in a fun, family environment.

The ranch has both an indoor and outdoor arena and groups visiting the ranch will experience a behind-the-scenes of a rodeo. Trainers will demonstrate how rodeo horses are trained, then they will perform roping and riding demonstrations and end with questions and answers as well as provide more information about the world class competitions and rodeos that take place at Copper Mare Ranch. Brenda Havens, our Sales & Promotion Specialist, will be happy to assist with getting you and your group into this unique adventure. Call Brenda today to book your tour.

For group bookings and additional information, call Sandusky County Visitors Bureau at: 419-332-4470 or email us at sales@sanduskycounty.org; www.sanduskycounty.org
